

PARTNER GREEN LINE – “LOOPING BROWSER” FIX

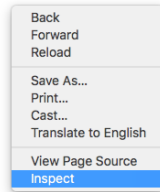

THIS DOCUMENT WILL SHOW YOU HOW TO SOLVE THE ISSUE OF YOUR BROWSER LOOPING WHEN TRYING TO ACCESS THE SITE

May, 2018

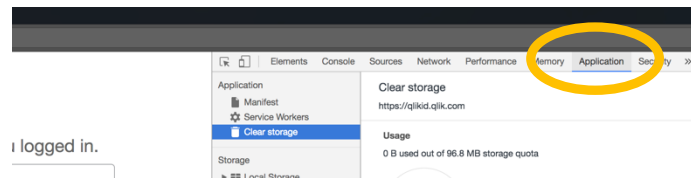

How to fix the “No Map” issue

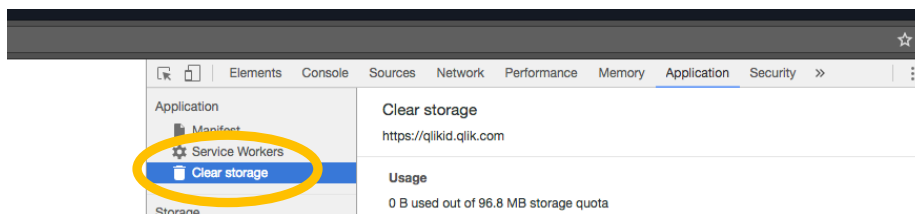

Right click in the browser (on the looping screen). Select Inspect.

In the resultant window / pane, select Application (top right)

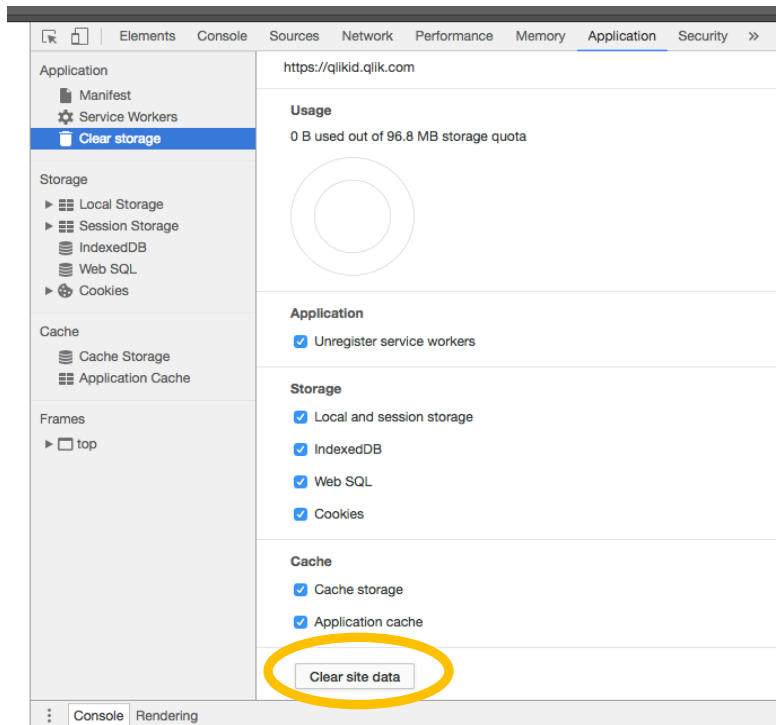

Click “Clear Storage”

^

Finally, click the “Clear Site Data” button. You may need to scroll down a little in the Clear Storage pane.

Then retry the Green Line URL / Login process in your browser.
